

Recycling made easy!

RecycleSmart collects tricky-to-recycle items from your doorstep and business.

Soft plastics

Plastic that can be easily crunched

Clothes and shoes

E-waste

Electronics

Misfits

Batteries, lightbulbs and more!

How it works:

1. Schedule a pickup

Visit recyclesmart.com or download our app to create an account.

2. Pack bags

Each day, put your hard-to-recycle things in your bag or bin

3. We collect them

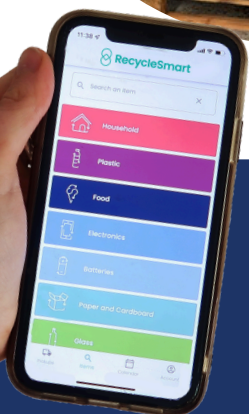

The driver collects your items and drops them off at our recycling partners

Where we collect:

- Households
- Corporate offices
- Retail shops
- Warehouses
- Health services
- Hospitality venues

*Bins only available for businesses

Search Australia's most comprehensive recycling database to find out what goes where with Recyclopedica
